Profile

Hi! I'm a joyful and adaptable creative, eager to join a design team. I aspire to bring a refined attention to detail and a high standard of beauty and function to my design work. I've honed my skills and sensibility through an unconventional background of art, hospitality, and dedicated Zen practice.

Skills

- Figma
- Photoshop
- Illustrator
- After Effects
- HTML/CSS
- Javascript
- Word, Excel
- Kartra

Education

- 2023 – present** **CareerFoundry UI Design Program** Online (Berlin HQ)
Certificate in UX/UI Design
- 2009 – 2013** **Colorado College** Colorado Springs
BA, Studio Art, Outstanding Senior Thesis Award, Phi Beta Kappa

Employment

- 2023-2024** **Program Manager and Guest Services, Boulder Zen Center** Boulder
Currently, I design and manage email campaigns and newsletters, respond to all incoming communication, build and maintain an online course platform, plan events and manage online and in-person programs.
- 2021-2022** **Custom Picture Framer, Mercury Framing** Boulder
I completed orders from start to finish - from working with the client on custom designs, to properly storing and handling art pieces, building frames, cutting glass and mats, fitting, and unwrapping the finished piece for the customer.
- 2020-2021** **Co-Founder, Boulder Guest House** Boulder
I collaborated with a team to redesign interior guest spaces and experience in response to covid-19, launch a new lodging business, design and build a website, implement branding across platforms, and supervise guest relations.
